MARKETING

In this role, you'll be assigned to **one of our key marketing areas**, depending on your capabilities and interests:

▶ **Brand Marketing (Indonesia)**

Contribute to nationwide campaigns and strengthen brand presence across Indonesia

▶ **International Marketing**

Support Cimory's global expansion through market research, strategy development, and brand localization.

▶ **Product Innovation**

Dive into market trends and consumer insights to help shape our next breakthrough products.

Candidates will have the opportunity to discuss their interests further during the initial interview

SALES

What you will get in this role?

- ▶ Get hands-on experience across various sales channels, including **General Trade** and **Modern Trade**
- ▶ Take on roles such as Salesman, Sales Supervisor, and beyond to **understand the full sales cycle** from the ground up
- ▶ Develop and execute sales strategies to **grow our product presence** and **performance** in the market

Candidates will have the opportunity to discuss their interests further during the initial interview

MANUFACTURE

What you will get in this role?

- ▶ Explore key areas in our plant operations such as **Production, Engineering, R&D, or Quality**, based on your background and assessment fit
- ▶ Contribute to the creation and improvement of our dairy, meat, and egg-based product lines
- ▶ **Build and execute strategies with speed and accuracy** in a dynamic manufacturing environment

Candidates will have the opportunity to discuss their interests further during the initial interview

BUSINESS SUPPORT

What you will get in this role?

- ▶ Be placed in one of our key business support functions; **Finance, Accounting & Tax, HRGA, Legal, CEO Office, Supply Chain, or Warehouse** based on your background and assessment fit
- ▶ Contribute to cross-functional projects that improve business efficiency, governance, and decision-making
- ▶ Collaborate with key leaders and stakeholders to **turn ideas into impactful improvements**

Candidates will have the opportunity to discuss their interests further during the initial interview
